

UNITED LIVING SERVICES

# Adult Services

## Support for Every Stage of Adulthood

Transitioning to adulthood — and living well throughout it — can bring uncertainty for individuals and families alike. We help every individual move into adulthood with confidence, and support them through every stage that follows, while giving families a knowledgeable partner for the journey.

Independent Living

Community & Belonging

## How We Support Individuals

### Meaningful Employment

Identifying strengths, exploring job opportunities, and building the skills to find and keep purposeful work.

### Independent Living

Daily living skills plus residential and community-based support to live as independently as possible.

### Friendships & Community

Connecting individuals to activities, social opportunities, and relationships that make adulthood richer.

### Navigating Adult Services

Help understanding waivers, funding, county boards, benefits, and healthcare coordination at every stage.

Serving individuals ages 18 and older across Northeast & Central Ohio through Ohio DODD waiver and community support services.
